### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michelle Bugbee on September 27, 2004.

The application has been amended as follows:

Claim 9, line 14, delete (a) and insert -- an undulating --.

The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or fairly suggest a golf ball having a spherical surface, comprising (a) a pattern defined on the golf ball surface, said pattern including a plurality of geometries; (b) a plurality of dimples arranged in said geometries, respectively, said dimples comprising at least two groups of dimples, a first group of dimples having a first depth and being arranged adjacent to a portion of the perimeter of said geometries and a second group of dimples having a second depth different from said first depth and being arranged within said first group of dimples, said first and second depths being independent of a width of dimples of said first and second groups of dimples, respectively, whereby the golf ball has improved aerodynamic properties, and further comprising a third group of dimples having a third depth different from said second depth and independent of the width of said third group of dimples, said third group of dimples being arranged within said second group of dimples, whereby a depth

progression of dimples is provided within each geometry, and wherein said third depth is less than said second depth which is less than said first depth.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
